**Calistoga, California -** Effective Monday, November 16, 2009 the VINE Route 11 service will streamline its first run to Santa Rosa so that riders can attend early morning classes at the Santa Rosa Junior College. By serving the Kaiser medical center on an "On Demand" basis for the first run of the morning and removing the 7:50 AM time point at the Ursuline/Cardinal Newman High School bus stop, the Route 11 bus can reach the Mendocino & Steele Lane corner in time for 8 am classes.

This means that the bus driver will only stop at the Kaiser Medical Center if there are no riders exiting. As well, the driver will no longer dwell at the Ursuline/Cardinal Newman bus stop until 7:50 am. Once passengers have left or boarded the bus, service will continue without further delays.

Route 11 operates Monday to Friday and makes three roundtrips daily between St. Helena and Calistoga to Santa Rosa. Service ends at Coddington Mall where passengers can transfer to the Santa Rosa CityBus and Sonoma County Transit services. CityBus Routes 10 and 17 serve the downtown Santa Rosa Transit Mall and Route 15 travels to the Greyhound Terminal in Santa Rosa. Fares are \$4 for Adults, \$3 for Youth and \$2 for seniors and Disabled persons.

To learn more about the Route 11 service, the Napa Valley regional Route 10 service or the Route 29 Express service to Vallejo, please contact the VINE Customer Service Office at 707-251-2800 or 800-696-6443, or visit [www.NapaValleyVINE.net](http://www.NapaValleyVINE.net).
