## FOR IMMEDIATE RELEASE

### **State Route 29--Between SR-128 and Zinfandel Lane Approximately Four Weeks of Overnight Full Highway Closures-Napa County Start Sunday, April 12 at 7:00 PM**

**NAPA COUNTY** – Caltrans and its local stakeholders will realign the railroad tracks at State Route 29 (SR-29) near Whitehall Lane in Napa County in preparation of the SR-29 St. Helena Channelization Project. The project will rehabilitate the pavement, provide a continuous 2-way left turn lane and reconstruct the adjacent bike path.

Approximately four weeks of overnight closures are scheduled. For the safety of workers and the public, northbound and southbound SR-29 must be completely closed between Whitehall Lane and Zinfandel Lane starting Sunday, April 12 until Wednesday, April 29. State Route-29 will be closed each night Sunday through Wednesday at 7:00 PM until the following mornings at 6:00 AM. All work is weather permitting.

For the week starting Sunday May 3, State Route-29 will be closed each night Sunday through Tuesday at 7:00 PM until the following mornings at 6:00 AM

#### **Detour Routes**

Northbound SR-29 detour starts at State Route 128/Rutherford Road. Northbound SR-29 motorists will be detoured onto SR-128/Rutherford Road, Conn Creek Road, northbound on Silverado Trail, westbound on Zinfandel Lane, then back onto SR-29. Detour signs will be posted

Southbound SR-29 detour starts at Zinfandel Lane. Southbound SR-29 motorists will be detoured onto eastbound Zinfandel Lane, southbound on Silverado Trail, southbound on Conn Creek Road, then onto Rutherford Road, and back onto SR-29.

#### **Local Access**

During the work, SR-29 between SR-128/Rutherford Road and Zinfandel Lane will be for emergency and local access only. Residents may need to show proper identification.
